

Property taxes were paid 9-29-09
With the help of Jon T.; Sales taxes were paid for the third quarter.
Balances for Wells Fargo accounts were stated

At the last meeting, we left it that Gary Kraft was going to cancel Randy's Sanitation for the winter. I called Randy's yesterday to check up on the account and was told I had to talk to a sales guy named Cris Roskowiak at 612-919-2264. Left a message, did not hear back from him.

Maybe Gary cancelled the service before I called. I won't know until I here from this guy.

Could someone ask Gary if Randy's is cancelled for the winter?

I think priority is to get any remaining money from the NRA Grant spent. We could use a few thousand from the trap acc. to match any projects. I think we were talking about a safety berm along the west fence and improvements for the rifle station.
